## Junior Netters In Busy Schedule

The Canal Point Junior High basketball team, known as the Trojans, are having a busy season under the coaching of James Threlkeld.

On Tuesday afternoon the Trojans traveled to South Bay where they defeated the South Bay Juniors, 26-17. Jimmy Goodson, the Trojans' high scoring guard, chalked up 11 points to lead his teammates to victory. Walter Young got 10 points and Melvin Lamb, 5 points. Jimmy also got broken front tooth in the mad scramble between the two teams for points.

Last week the Trojans lost two games to the rambunctious baby Brahmins of Okeechobee. In the first game, Feb. 2, at Okeechobee the Brahmins were just twice as good at scoring as the Trojans, winning 22-11, with Jimmy Goodson tossing 9 points and Lewell Hughes, 2 points, for Canal Point's total. In the return game at Canal Point, Feb. 5, the Brahmins were hard put to outscore the fighting Trojans, 34-30, in a thrilling contest that brought the yelling spectators to their feet time and again.

There are 10 boys on the Trojan basketball squad. Guards Jimmy Goodson, Walter Parker and James Spires, Centers Lewell Hughes, David Kautz and Fred McKee, Forwards Melvin Lamb, Walter Young (continued on page 8)

## Jaycees To Help Slow Accidents

The Pahokee Junior Chamber of Commerce, in cooperation with the Florida Highway Patrol and the Florida Citizens Advisory Committee on Highway Safety, is sponsoring locally a highway safety program which is expected to be instrumental in preventing accidents. The Jaycees will distribute flare kits which will fit in the glove compartment of a car, these kits to include two flares that can be seen 1,500 feet by oncoming motorists. Cars smashing into other motor vehicles that are parked at the side of the road because of mechanical failure or tire trouble is one of the major forms of traffic accidents which most of the time can be prevented if the motorist in trouble places warning flares on either side of his vehicle, according to Frank Gillis, Jaycee president.

## To Sell Bulbs To Finance Project

Canal Point Lions at the dinner meeting in the Community Building Monday night continued their discussion of ways and means of assisting the Canal Point Garden Club in beautifying the triangular plot of land lying between the old and new highways immediately east of town. It was reported the order has been sent in for the light bulbs which will be sold by members of both clubs to raise funds to help finance the project. The joint committee from the two clubs in charge of the project include Floyd Erickson, J. W. Repper and J. G. Weeks for the Lions Club; Mrs. James Miller and Mrs. A. R. Chastain for the Garden Club (continued on page 8)

## Baptist Hospital Is On Target Date

SOUTH MIAMI—Builder Robert L. Turchin reported this week that construction on the \$5,500,000 Baptist Hospital in South Miami is progressing on schedule and that "target date" for completion of the huge medical center is late Fall.

Turchin said structural work is nearly complete and work is continuing on the interior.

The Baptist Hospital is the first section of a complete medical unit which will include a mid-town Miami site eventually. The 304-bed South Miami unit is being built on 55 acres donated by multi-millionaire financier Arthur Vining Davis.

The five story hospital will include more than a million dollars worth of the latest medical equipment.

## S. S. Conference In Orlando Feb. 29

The annual Sunday School convention for Baptist churches in Florida will be held at First Baptist Church, Orlando, February 29 to March 2, according to C. F. Barry, secretary.

Featured on the program will be Dr. Wayne Dehoney, Pastor, First Baptist Church, Jackson, Tennessee and Keener Pfeir, Southern Baptist Sunday School Board, Nashville. The convention theme will be "Cause me to hear, to know, to do thy will." Secretary Barry will preside over the program.

Other out-of-state speakers will be Crawford Howell, Dr. Sibley Burnette, Dr. Ellis Robbin Trent, Mrs. Ada Rutledge, and Mrs. Will S. McCraw, all from the Sunday School Board at Nashville.

Vacation Bible School conferences will be held each morning under the direction of Burnette.

## Responsibility Of Child Is Discussed

"Whose Responsibility is the Child?" was the subject of a panel discussion at the February meeting of the Pahokee Parent-Teacher Association held Monday night in the high school auditorium with President W. O. Moss presiding. James W. Vann served as moderator for the panel which was composed of Mrs. R. B. Simonson, representing the viewpoint of parents; Gena Duncan, Glades area counselor from the Palm Beach County Juvenile Court; Mrs. Hugo Boe, representing the schools; and the Rev. Robert A. Shelley, pastor of the Canal Point Methodist Church representing the churches.

The panel discussion came as an aftermath of the Adult-Youth Family Life Education Institute sponsored by PTA at the high school the past week under the direction of Dr. I. Douglass Brown of Florida State University. Mrs. Lloyd Hundley, a chairman of the planning committee, reported the institute was a distinct success, with a good attendance at all sessions. Principal Brooks Henderson stated that a poll of the high school

## Local Baptists To Sponsor Revival

Revival plans for February 21, 23 are completed by the Canal Point Baptist Church. Dr. Paul Meigs, of Jacksonville, Fla., who is

DR. PAUL MEIGS

the Director of the Department of Evangelism and Mission Education for the Florida Baptist Convention, is to be the guest Preacher. Dr. Meigs has held successful pastorates in Georgia and in California. He came from the pastorate in Berkeley, California to the present work among Florida Baptists. He is one of the most outstanding (continued on page 8)

## Vote Books Moved To Office Building

Glades Registration books and information can be found at the Glades Office Building. Supervisor of Registration DeWitt Upthegrove this week brought all information concerning voting in the Glades area to the new building for use of local residents.

If you want to know for sure whether or not you are registered, just stop by the Office Building some day soon and ask Mrs. Mae Pope for the information. She has all of it at her finger tips. All precinct books from Canal Point around the Big Lake to Lake Harbor are available there, Mrs. Pope said.

County Commission Chairman Paul Rardin pointed to the new voting service as another in the long list of services being rendered at the Glades Office Building erected in August 1958 under the direction of the local commissioners and the county board.

## Homestead Filing Should Be Done

Although the deadline for filing applications for homestead exemption is March 21, County Tax Assessor David Stewart is urging all who are eligible for such exemptions to file early. On Thursday night of this week Mr. Stewart kept his office in the County Courthouse open until 8 p. m. to accommodate persons who find it difficult to go to the courthouse during the regular office hours of the tax assessor's office.

## Cub Scout Pack 23 In Monthly Meet

Cubmaster J. L. Tyson, Jr., at the monthly meeting of Pahokee Cub Scout Pack 23 in the high school building, presented the awards plaque to Den Two, the attendance flag to Den Four and the good conduct flag to the Webelos Den.

Individual awards in the form of badges or arrows were received by Cliff Grimes, Allen Miner, George Magrill, Randy Laks, O'mar Adams, Glenn Stewart and Hank Tucker.

Glen Stewart and Cliff Grimes were welcomed as new members of Webelos Den by Den Dad Campbell. Larry Story was received as a new member of Den Three and Danny Denton, new member of Den One.

## Heart Week Is Set For February 22-28

Heart Week is set for February 22-28. A Heart volunteer will call you for your contribution. Your contribution to the American Heart Association supports heart research, public education, community service and rehabilitation. Fifty-four per cent of your money goes to heart research.

Area chairmen for Heart Week are:

Pahokee: Mrs. Max Beverly, Mrs. Hugh Branch, Mrs. Joe Tom Boynton.

Heart coin boxes—Jaycees, Colored Area—Eastern Star, Canal Point—Mrs. A. R. Chastain, Mrs. Paul Rardin, Mrs. Don Kepp.

A Kick-off Coffee for all area chairmen and captains will be held Tuesday morning at 10 a. m. at the home of Mrs. Victor Mulberg, Indian Mound, Belle Glade.

## Camporee Planned For Boy Scouts

Boy Scout Troops from Clewiston, Belle Glade, Lake Harbor, Pahokee, Indiantown and Okeechobee are expected to take part in the District Camporee on Taylor Creek, north of Okeechobee this weekend.

Pahokee Troop 628 plans to send 30 Scouts, accompanied by Scoutmasters Louis Mims and Ed Carver, who recently resumed troop leadership after an absence of five months, to the camporee. This group will leave for the camp Saturday at 12 noon and return late Sunday afternoon. Trailing the troupe bus will be "Sloppy Jalopy," the troupe's cook wagon which was thoroughly overhauled this week by Olaf Boe, preparatory for the camporee.

The theme for the camporee is "Fun and Fellowship," according to Scoutmaster Mims. The Scouts are expecting a good attendance of adults, including parents, Scout leaders and committee members, at their special campfire program Saturday evening.

There will be instruction classes and a five-mile hike for tenderfoot Scouts who are striving for second class rank, Mr. Mims said.

## Council Objects To SRD Speed Rate

The Pahokee City Council in regular session Monday night accepted the resignation of Roy Vandegrift, Jr., from the board of directors of the Pahokee Housing Authority and appointed J. L. Tyson, Jr., a member of the board to replace Mr. Vandegrift.

The Council adopted a resolution expressing strong opposition to the State Road Department's proposed increase of the speed limit on Bacon Point Road, a section of SR 715 within the city limits, from the present 35 miles to 45 miles per hour. City Clerk Patsy Batchelor was instructed to send a copy of the resolution, together with a petition protesting the proposed speed limit increase signed by residents living on Bacon Point Road, to the chairman of the SRD board in Tallahassee.

It was voted to advertise for bids for the extension of the waterworks' intake pipe farther out into Lake Okeechobee where the water is less roily and more easily made potable for human use. Accepted at the meeting was the price bid of \$963, submitted by Wallace and Sherman of New Jersey, for the purchase of a new chlorinator for the waterworks department.

Authorized was the renewal of (continued on page 8)

## Family Life Study Named A Success

The PTA-sponsored Family Life Education Institute conducted by Dr. Douglass Brown at Pahokee High School ended Friday, Feb. 5.

Dr. Brown kept a very full schedule during the week he was here, filling three speaking engagements at civic clubs in addition to his busy schedule at the school. Tuesday he addressed the Lions Club; he was guest speaker at a luncheon given by the Ministerial Association on Wednesday and on Thursday he spoke before the Rotary Club.

Each class in the junior high and high schools was given opportunity to meet with Dr. Brown. There were separate discussion periods with the high school groups during which Dr. Brown answered questions asked by the students. In addition to this he held private counselling sessions by appointment with parents and students.

## Nicely's Steer Is Winner At Fair

Lynn Nicely's black Angus steer, which won blue ribbon grand champion awards at the South Florida Fair and Exposition, also took top honors at the State Fair in Tampa where it was awarded the grand championship of the 4-H cattle show and the reserve grand championship of the entire fair. Lynn won first place in showmanship at the 4-H cattle show.

K. B. Waggon also showed his prize-winning black Angus steer at the fair in Tampa, where it was awarded eighth place.

Both Lynn and K. B. are members of the Pahokee Boys' 4-H Club which has as its leader Lynn's father, Marlin M. Nicely.

### Here Is What Transpired At Monday's Meeting Of The Palm Beach County Commission

Improvement of road signs and identification markers at Lantana Airport was under consideration this week by the county commission.

James Tilford, sales manager for Palm Beach Aviation, a tenant at Lantana, asked the commission this week to improve identification of the airport by painting the name on the base runways.

He also asked that a beautification program be started to improve the looks of the entrance to the airport and that some changes be made in the variety of sign markers now posted at the entrance.

His requests were referred to Frank Sakser, county aviation director.

The commission in another matter concerning Lantana Airport, gave permission to the Civil Air Patrol to hold a fish fry at the base in March. CAP members from across the state are slated to fly to Palm Beach County to take part in the event.

In other actions the board:

Received bids for construction of three comfort stations at John Prince Memorial Park.

Voted to call for bids for construction of an addition to the county hospital.

Heard that County Attorney Harry Johnston had been named legal advisor to the State Association of County Commissioners zoning committee—a group which is headed by Commissioner Roy Michael, Jr.

Took under advisement the possibility of improving a curve on State Road A1A in Palm Beach on existing right of way. Original plans called for spending \$10,000 on improvements but the commission decided to drop the idea when it was learned that needed right of way would cost the county \$179,000.

### Veterans Will Be Aided By New Law

Public Law, 86-211 Effective with the beginning of the next fiscal year, July 1st, 1960. Dependents of World War II, and the Korean conflict will be entitled to the same benefits, as those of World War I, which means that widows and dependant children, of veterans who die as the result of a Non-Service connected condition, may file a claim with the veterans administration for benefits after the above date.

Following is a list of required evidence to be presented by the widow at the time of filing a claim.

(1) A certificate or photocopy of marriage certificate to the deceased veteran.  
(2) Copies of birth certificates for all dependant children under the age of 18, or the age of 21 if still attending a Public School.  
(3) A copy of the veterans discharge or separation papers.  
(4) A copy of the death certificate of the deceased veteran.

Without these necessary documents, A widow claim can not be allowed under the laws of the V. A. It is therefore urgent, that all those who do not now possess such documents, start at once in an effort to obtain same. In addition to this requirement, if there was any previous marriage or marriages by either the veteran or his spouse, a copy of a divorce decree or death certificate showing how the previous marriage ended, date, place and etc., will be required before a claim will be allowed. In addition to this, there will be certain income limitations, which will be explained at the time the claim is filed.

It is suggested that all those who feel that they will be effected by this new law, begin now to obtain the required listed evidence and keep in a safe place until time to file a claim.

Information will be furnished at a later date, concerning veterans who may be eligible to file for a Non-Service connected disability pension after July 1st, 1960, as to income limitation and etc. Physical requirements will continue to be the same then as now.

## Florida Continues Marvelous Growth

MIAMI — Florida, the nation's fastest-growing large state, has leap-frogged from No. 20 to No. 1 population spot in the U. S. during the "fabulous fifties", jumping far outdistancing that of any other major state during the past decade.

First rank in percentage-wise 1950-1959 population gains among major states was won by Florida with a 72 percent increase, according to the current issue of the Florida Business Letter, Miami, which points out that, on a percentage basis, Florida's population has grown four times faster than that of the nation as a whole.

By July, 1960, according to First Research Corporation, Miami-based economic and market research firm of which Florida Business Letter is an affiliate, the entire state's population is calculated to reach a total of five million people.

Mrs. R. J. Welch has returned to her home at Lake City, S. C., after a visit of several months here with her son-in-law and daughter, Mr. and Mrs. Roy Vandegrift, Jr.

## Traffic Traps On Wane In State

TALLAHASSEE — Governor Collins has assured the Peninsula Motor Club (AAA) he will do everything in his power to eliminate "traffic traps" in Florida.

The Governor made a public statement after a conference with Marvin L. Holloway, president of the motor club.

The session also was attended by B. R. Fuller, Jr., executive director of the Florida Development Commission; Col. H. H. Kirkman, director of the Florida Highway Patrol; and Hotel Commissioner Richard Edgerton.

Holloway gave a complete report on the traffic trap situation in the state, as determined through exhaustive investigation by the motor club.

Collins reported that from Holloway's findings, Florida today probably has fewer traps than "we have had in a long, long time." However, he continued, there still are a few municipal operations carrying on the traps. "He (Holloway) had no complaints in respect to county operations," the Governor said. "And, of course, I gave

him assurance, to the full extent that I could take action, that we would eliminate from the Florida scene any operation of arrest for profit."

*Uncle Sam made the bonds you own  
an even better bargain!*

# Now your maturing Series E Bonds can earn interest 10 more years at 3%

PRESENT TREASURY REGULATIONS make it possible for you to collect a return of as much as 80% on the Series E Savings Bonds you already own!

For now those Bonds which you invested in 10 years ago can go right on earning interest for ten more years without your doing a thing about it! That is true not only of the Bonds which you have held for ten years, but any other Series E Bonds which you have invested in the meantime. And any Series E Bonds which you obtain now will also enjoy the extended earning period. They will start earning interest sooner and mature earlier, too, paying 3%, compounded semiannually.

The Bond you got for \$18.75 can now pay you \$33.67 . . . a \$37.50 Bond will be worth \$67.34 . . . and so on.

Of course, any Series E Bond may still be redeemed at any time after you have held it for two months. But, like any other form of saving, your Bonds will mean a great deal

more to you if you can hold on to them.

Are you one of the millions of Americans who are saving regularly with Savings Bonds through the Payroll Savings Plan? If you're not, why not start now? Invest regularly in Bonds through the Payroll Savings Plan where you work. Ask your pay office to save as little as 25¢ a week for you, or as much as you are able.

If you can save just \$5 a week regularly through the Plan, in five years you will have \$1,367.90 . . . in 9 years and 8 months, you'll have \$2,850.70 . . . and in 19 years and 8 months, \$6,872.45! This Plan is one sure way to save because it saves something out of every check before you have a chance to spend it.

So join the Payroll Savings Plan where you work today. Or, if you are self-employed, start the Bond-A-Month Plan where you bank. It's safe, it's sure, it's automatic. And you will be helping yourself and your country!

If you want to be paid  
your interest as current income—  
invest in 3% Series H

If you want a good, sound investment which pays you your interest by check every six months, ask at your bank about United States Government Series H Bonds. Series H is a new current income Bond available in denominations of \$500 to \$10,000. Redeemable at par after 6 months and on 30 days' notice. Matures in 9 years and 8 months and pays an average 3% interest per annum if held to maturity. Interest paid semiannually by Treasury check. Series H may be purchased at any bank, annual limit \$20,000.

## Pick your savings target and shoot straight for it!

**A** home . . . financial security . . . a business of your own. Important savings targets like these cost money—a substantial sum—and more than most of us have. But here's a sure way for you to score a bull's-eye and walk off with the big prize you want.

The secret of saving is systems. And the simplest, most automatic saving system ever devised is the Payroll Savings Plan. Best of all, you do more than save through Payroll Savings. You invest your money, too, and make it grow. Here's how it works:

Tell your company pay office how much you want to save each week. Then each pay period that amount will be put aside for you before you have a chance to spend it. Your money will go automatically into U. S. Series E Savings Bonds.

Because Savings Bonds earn good interest—3% compounded semiannually when held to maturity (9 years and 8 months)—they're soon worth much more than you've invested in them. And your Bonds will continue to pay this same good interest as long as 19 years and 8 months. That means a return of up to 80% more than you originally paid.

And remember this. There's no guesswork or chance about the Payroll Savings Plan. It's absolutely safe and sure. Invest just \$7.50 a week. In 5 years you'll have Savings Bonds worth \$2063 in cash; in 10 years, \$4462.

Even if you've never been able to save before, this plan is guaranteed to work for you. So sign up today for Payroll Savings where you work—or invest in Bonds regularly where you bank.

## Spray Material Given Eagle Eye

JACKSONVILLE — Stricter regulations on use of death-dealing pesticides are under consideration by the Florida State Board of Health.

Two hearings have been held. Many professionals oppose any control, especially — they say — since private individuals would be subject to regulation.

Some of the pesticides are so lethal that death can result from merely brushing a bush that has been sprayed, the board says. Six such deaths were recorded in Florida last year.

The board proposes that those in the business be certified on the job, warning signs would be put up, employees would have to warn neighbors in person about the spraying operation and containers would have to be carried away.

Some pesticides would be prohibited; use of others would be restricted.

Changes in regulations regarding structural pest control operations are due, also. Chief among these would be better protection of householders who have paid for long term protection.

The Florida Health Officers' conference is meeting through Wednesday in connection with the board's sessions today.

State Rep. Robert T. Mann of Tampa told the health officers Monday the legislative committee on health and welfare, of which he is chairman, does not plan legislation to prohibit or require fluoridation of drinking water.

Among the patients at the Everglades Memorial Hospital bed were Mrs. Vivian Stamp, Mrs. Mary Ann Hayes, Mrs. Jackie Carter, Mrs. Helen Hill and R. P. Fletcher.

## Picture of a Promise

*Sure, she's a grand old flag!  
That's why we salute her.  
That's why we pledge allegiance to her.*

*That pledge, in its simplest terms,  
is another way of saying, "Count me in.  
You're my country and I love you  
and need you. Your problems are  
my problems, and I'm with you  
all the way."*

*Your country's biggest single  
problem is the perpetual responsibility  
for keeping the peace its people  
want. You can help with this  
problem by remembering this:*

*Peace costs money. Money for  
military and industrial strength.  
Money for science and education.  
And money saved by individuals

## Christian Science Group Of Canal Point

Healing through spiritual means as practiced by Christ Jesus will be brought out at Christian Science services Sunday.

Readings from the King James Version of the Bible and correlative passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will comprise the Lesson-Sermon entitled "Soul," a word which, when capitalized, is used in Christian Science as a synonym for God.

Jesus' healing of the man "possessed with a devil, blind, and dumb" (Matthew 12) will be included in the Scriptural readings.

The following citation will be among those read from Science and Health (210:11-16): "Knowing that Soul and its attributes were forever manifested through man, the Master healed the sick, gave sight to the blind, hearing to the deaf, feet to the lame, thus bringing to light the scientific action of the divine Mind on human minds and bodies and giving a better understanding of Soul and salvation."

## Mrs. Atkin Teaches At WMU Meeting

Mrs. J. S. Atkins reviewed the first three chapters of the mission study book, "Reaching Rural Churches" at the meeting of the Ione Patterson Circle, Canal Point Baptist Woman's Missionary Society, at the home of Mrs. A. R. Chastain. Mrs. J. D. Latham and Mrs. C. B. Jones gave the devotional program. It was announced the Ione Patterson Circle will be in charge of the program at the general meeting of the WMS at the church Feb. 29. Mrs. J. S. Chastain and Mrs. Tom Mullins will act as hostesses and Mrs. Atkins will review the remaining chapters of the mission book. Introduced as visitors were Mrs. W. O. Strickland, Mrs. C. W. Connally and Mrs. G. W. Bruckner.

## Two Board Dates Changed For Meets

Dates for two county commission meetings were changed by the board Monday. A regular meeting scheduled for Feb. 22—a legal county holiday—was reset for 10:30 on Tuesday Feb. 23.

The board's second meeting in March which would fall on March 28, a date when the commission will be attending the annual meeting of the State Association of County Commission, was re-scheduled for Friday, March 25.

## Jimmy Tyson On Housing Authority

Roy Vandegrift, Jr., recently resigned as a member of the Pahokee Housing Authority, giving as his reason the press of personal business. Mayor F. S. Parrish in naming James Tyson of Pahokee, to succeed Mr. Vandegrift remarked on the splendid job that the young producer had done as a member of the Authority.

Other members are: Joe Waddell, Bob Apeigren, Leonard Dabrow and Albert Fremd. Jimmy Vann is the executive director.

Palm Beach Cattlemen's Association will be host to the Mid-Summer meeting of the Florida State Cattlemen's Association at the George Washington Hotel in West Palm Beach on June 15, 16, 17, 1960, according to an announcement of local officials of the Association.

## Juvenile Quarters To Cost \$23,000.00

It will cost the county \$23,000 to operate juvenile detention facilities at Palm Beach International Airport for the next seven months.

The county juvenile department recently asked that detention facilities be made available at the air base. County Judge Richard Robbins recommended the installation of facilities which County Engineer Steve Middleton said would cost an estimated \$23,000. The commission Monday voted to fill the request so far as funds are available.

## Make your dream house come true! It's easy —through Payroll Savings!

If you think you can't own the home of your dreams because the down payment's too steep, chances are you've never tried the Payroll Savings Plan. Because this is the easy, automatic way to meet any down payment—for a house or any large purchase.

Just do this: Sign a Payroll Savings application at your pay office, naming a certain sum to be deducted from your pay before you get it each week—a few dollars or as much as you want. After that, you're saving automatically—nothing to worry about, nothing to do. And, best of all, the money saved out of your pay each week is automatically invested for you in U. S. Series H Savings Bonds. Because Savings Bonds earn solid interest—3% cumulative continuously when held to maturity

—the few dollars saved from your pay each week soon grow into big generous amounts. For instance, if you sign for \$12.50 a week, in just five years you'll have \$3,348.95 cash. In 9 years, 3 months, you'll have \$7,237.20!

So don't let down payments get you down. Meet your needs for ready cash the way more than 8 million other Americans are meeting theirs—join the Payroll Savings Plan today. Or, if you're self-employed, invest in Bonds regularly where you bank. Start now to make your dreams come true!

★ ★ ★  
If you want your interest at current rates, ask your bank about Series H Bonds, which pay interest annually by Treasury check.

### Choose your own savings goal

If you want approximately			
	\$5,000	\$10,000	
Each week for 9 years and 6 months, approx. ....	\$8.50	\$17.00	\$34.00
Each week for 10 years and 6 months, approx. ....	\$8.75	\$17.50	\$35.00

This chart shows only a few typical examples of savings goals and the weekly amounts required to meet them. To get complete information, send for booklet "How to Buy U. S. Savings Bonds" from your bank or post office.

## Co. Agricultural Department Report Shows Fair Growing

A busy year for the county agricultural department was reported to the county commission Monday by County Agent M. U. Mounts.

He appeared before the county board with members of his department to give his annual review of department activities.

Mounts said his department had made 3,240 farm and home visits; had 6,889 office visits, attended 590 meetings and had received some 13,000 telephone calls.

Charles Tucker, Assistant Agent said he had spent most of his year in ornamental horticulture, aiding new home owners with landscaping problems. Also that in this same field, a number of 4-H Club boys had been trained in nursery work and growing ornamentals.

Assistant Agent John Causey, reporting on the vegetable industry, said some growers made a profit while others showed a loss—a balance which he said resulted in a good year as a whole. The fall vegetable crop, he said, has been paying off even though some tender crops have been hit by cold weather.

Ken Price, assistant in charge of livestock, said Palm Beach County now has some 38 dairy farms milking about 20,000 cows and that beef cattle in the county now number about 125,000.

Agent Raleigh Griffis, said that county's poultry industry was "booming back from last year," but that many problems in marketing and control of disease still exist in this field.

Miss Mary Todd, reporting for the home demonstration section, said the department is growing and that registrations in home demonstration work and 4-H club work has doubled the past year. Some 800 women and girls are now taking part in the program.

### Mrs. Wilson Weds Robert McManus

Mrs. Trena Vandegrift Wilson, daughter of Mr. and Mrs. Marvin Vandegrift of Pahokee, and Robert McManus, son of Mrs. Robert McManus of Coral Gables, were married at Coral Gables, Saturday, Feb. 6, in a civil ceremony performed by a justice of peace.

Attendants were Mr. and Mrs. Robert Algar of Cocanuit Grove.

Mr. and Mrs. McManus will make their home at Cocanuit Grove. On Sunday they visited her parents in Pahokee, and while they were here Mr. and Mrs. Vandegrift entertained at their home on NW 10th Ave., Sunday afternoon, honoring the newlyweds.
